Last saturday night I got married
Me and my wife settled down
But me and my wife have parted
I'm gonna take another stroll downtown

Irene goodnight Irene goodnight
Goodnight irene, goodnight irene
I'll see you in my dream

Stop your ramblin', Stop your gamblin'
Stop stayin' out late, late at night
Go home to your wife and your family
Sit down by your fireside so bright

Irene goodnight

I love irene and I swear I do (yes)
I love her till the sea runs dry
And if irene ever turns her back on me
I'm gonna take morphine and die

Irene goodnight

Sometimes I lives in the country
Sometimes I lives in town
Sometimes I have a great notion
To jump into the river and drown
