**I tried to love you  
Way back in my young days  
You were so evilhearted,  
Throwed all of my good love away.**

**Mmmh, what's the matter now?  
But daddy wanna quit me  
And he don't know how.**

**I'm goin' down to the river  
Take me a rockin' chair  
For if the blues overtake me  
I'll rock them away from here.**
