

Crazy about you - Bill "Jazz" Gillum

Baby I'm Crazy 'bout you
Don't like the way you do.
Always mistreat me,
Say that you love me too.
Someday you'll want me
And I'll be so far from you,
Then you will be sorry, babe,
You do me like you do.

Baby I'm Crazy 'bout you
Don't like the way you do.
How can you mistreat me,
Say that you love me too.
I'm gonna need you
Then you'll know I'm true,
But you can always hear me sing this song,
You know your daddy crazy 'bout you.
