

# I WILL

by Lennon/McCartney

          G          Em          Am          D  
Who knows how long I've loved you?  
          G          Em          Bm  
You know I love you still.  
      G7          C          D          Em          Am  G  
Will I wait a lonely lifetime?  
          C          D          G          Em  Am  D  
If you want me to I will.

          C          D          Em  
Love you forever and forever,  
          C          D          G  
Love you with all my heart.  
          C          D          Em  
Love you whenever we're together,  
          A                          D  
Love you when we're apart.

For if I ever saw you,  
I didn't catch your name.  
But it never really mattered;  
I will always feel the same.

Love you forever and forever, etc.

And when at last I find you,  
A song will fill the air.  
Sing it loud so I can hear you.  
Make it easy to endear you to me,  
Ah, you know I will.

I WILL- The Beatles

F Dm7 Gm7 C7

Who knows how long I've loved you

You know I love you still

Will I wait a lonely lifetime  
If you want me to I will

For if I ever saw you

I didn't catch your name  
But it never really mattered  
I will always feel the same

CHORUS:

Love you forever and forever  
Love you with all my heart  
Love you whenever we're together  
Love you when we're apart

And when at last I find you  
Your song will fill the air  
Sing it loud so I can hear you  
Make it easy to be near you  
For the things you do endear you to me  
Ah, you know I will  
I will
